SLAIN AMERICAN'S FRIENDS PRESS INQUIRY

LAREDO, Tex., Feb. 27.-Friend Clemente Vergara, the American who was hanged recently by Mexican Federals, were aroused to-day by the reports made by American Con-sul Garrett and Vergaras' brotherin-law, S. J. Hill, who yesterday visited the scene of the rancher's execution near Hidalgo, Mexico. Ver gara's friends assert they will press for the fixing of responsibility fo the hanging and for punishment of the American's executioners.

The dual investigation into Ver-The dual investigation into Vergara's death was expected to assume definite outline to-day. The Federal investigation begun several days ago white the State's inquiry was ordered only yesterday by Gov. Colquitt, who indicated he might take decisive steps toward punishing Vergara's slayers if they are discovered. An attempt will be made to have Vergara's body brought here for burial.

WILSON'S MEXICAN POLICY ASSAILED.

WASHINGTON, Feb. 27.-Papre sentative Mondell of Wyoming pre dicted to the House this afternoon that this country will be hurled "into the vortex of armed intervention" is seared up, Secretary of State Bryan | the Administration's present Maxican policy continues. He declared the profrom Huerta had drifted into "a condition of vacuous vaciliation and aimless inaction while the Becretary of State travelled off fugrative lecture

Estate travelled off ligrative lecture tours."

State travelled off ligrative lecture tours."

He added that the recognition policy is the only element of fixity in the administration programme, the branded as a "fatuous and fantastic theory" the administration idea that any robel calling himself a constitutionalist is really a patriot.

"While our attitude is that of indirect intervention," he said, "we still eahumed and every opportunity furnished for its assumption and idea.

H-O is a blend of selected oats—each one selected for its flavor and richness in food value. This blend is determined by careful laboratory analysis.

H-O is the cleanest oatmeal you can buy. We have taken care to make it clean and keep it clean. Even the package is protected by a special wrapper that leaves no openings for dust or germs and is completely sterilized before packing for shipment.

H-O costs you less in the end. It requires one-seventh the fuel that other oatmeal requires. It bulks up larger when cooked and costs less than half-cent a dish.
